Crazy Horse Summer University Program

The Summer University Program of The Indian University of North America is a partnership between Crazy Horse Memorial Foundation and the University of South Dakota. A program that helps students prepare for the rigors of college by offering college prep courses that will transfer to any regionally-accredited college or university, it offers the same university courses that are offered on the main campus. This summer’s program runs June 6–Aug. 2.

For more info, see www.usd.edu/summerschool.

In-State Tuition for Out-of-State Coyotes

Children of USD alumni can now attend the university for in-state tuition, even if they don’t live in South Dakota. Qualification is simple: incoming freshmen or transfer students can pay the in-state tuition rate if a parent or legal guardian received a degree from USD, making a world-class education even more affordable.

See www.usd.edu/admissions/child-of-alumni for further details.
