Fire Regulation Exemption Application

As an American Indian student at the University of South Dakota, I am aware of the Board of Regents fire regulations for the University of South Dakota. Based upon my spiritual beliefs and practices I am requesting an “Exemption” from these regulations.

1. I believe having access to and the opportunity for the utilization of my sacred medicines (cedar, sage and/or sweet grass) in personal prayer is essential to my traditional American Indian cultural ways of life and for my wellbeing as a student at the university. I engage in spiritual practice, morning and evening.

2. I am also aware that my roommate(s) or those close to my living arrangement may have allergies to one or some of these medicines. Therefore, I will take the appropriate and necessary precautions in utilizing the medicines in the privacy of my own room.

3. I will also discuss the burn exemption with my roommate(s).
