Desk Workers are student staff who work at the front desk of a residence hall.

Resident Assistants are trained student staff members dedicated to being an advocate and resource to residents.

Residence Hall Directors are Masters, or higher, level professionals that are highly skilled in student development, advocacy, and student support.
Traditional Style Halls

Whether you wish to live in a traditional style hall or take advantage of apartment style living, our residence halls offer a wide variety of options to suite your needs, and all overhead costs included on one bill for your convenience! Every hall contains basic cable and high speed internet, laundry facilities, and every room is air conditioned.

North Complex

The largest of the traditional halls with both co-ed and single gender hallways, each floor has its own kitchenette, study room, and lounge that is available 24/7 for the community to take advantage of. The North Complex also houses different types of learning communities, including the First Year Experience community along with the Honors Community. This residence hall also has an in-hall convenience store and Papa John’s.

- Contains both coed and single gender floors.
- Air conditioning in every room.
- Closets with built-in drawers, stationary desks and moveable beds.
- Window blinds.
- Computer lab within complex.
- Extra long twin mattresses.
- Kitchenette on each floor.
- Beede Bump convenience store and Papa John’s within the building.
- Houses the First Year Experience and Honors floors.
Traditional Style Halls

Burgess & Norton Halls

An upper-class residence hall that focuses on smaller communities, Burgess Norton sits conveniently around various academic buildings, including the Delzell Education Center and the Arts & Sciences Building. This hall also houses the Transfer Student Community, contains both single and double rooms, and is coed by floor.

- Built-in closets and dressers with movable beds.
- Window blinds.
- Computer lab within complex.
- Extra long twin mattresses.
- Kitchenette on each floor.

Brookman Hall

Brookman Hall is a unique option on campus, as it contains all single rooms and contains a low number of students throughout the entire hall, making it the perfect place for students who wish to obtain more privacy that residence halls do not typically have. Brookman Hall contains single gender and coed floors, a laundry room, and two community kitchens.

- Single gender and coed floors.
- Quiet environment.
- Movable beds, stationary closets and desks.
- Computer lab and two kitchens in the complex.
- Meal plan required for undergraduate students only.
- Window blinds.
- Laundry room in basement.
- Extra long twin mattresses.
- Near Akeley Science Center, Sanford School of Medicine, Churchill-Haines, School of Law, Pardee Laboratory and Beacom Hall.
McFadden Hall

McFadden Hall offers an off campus living perks with all of the conveniences that you would expect from campus housing. Each unit houses 4 people and provides each resident with their own private room and a common area that contains a kitchen and living room. There is also an option to purchase your own garage space on a first come, first serve basis.

- Single bedrooms with common area in the kitchen and living room.
- Four-bedroom air-conditioned apartments.
- Movable beds, dressers, bookcase, desk and desk chair in each room.
- Limited garage space at additional cost; parking permit not included in rental price.
- Microwave, stove, refrigerator and dishwasher.
- Window blinds.
- Extra long twin mattresses.
