

RESEARCH MENTORING PREFERENCE FORM
University of South Dakota – Clinical Psychology Program
2009-2010

In order to match the clinical research interests of each graduate student with those of a faculty member, **please rank-order the four faculty members who seem to be the best fit for your individual research interests and goals (1 = best fit, most interested)**. This information will help us to insure that those faculty members that you identify as potential mentors review your application.

PLEASE IDENTIFY FOUR POTENTIAL RESEARCH MENTORS FROM THE LIST BELOW. Please give a brief description of your experience with and/or interest in the selected faculty members' area of research on question #1 of the [Clinical Psychology Program Supplemental Application](#).
