MANUFACTURING
& TECHNOLOGY
SOLUTIONS

Benefits-

Iso registration can REDUCE COSTS, IMPROVE PRODUCTIVITY and INCREASE SALES.

This program is designed to help small and medium sized companies obtain ISO registration at a FRACTION of the COST of traditional methods.

Project Overview-

Manufacturing & Technology Solutions (MTS) is offering an effective, affordable solution for South Dakota manufacturers to develop the processes necessary to apply for ISO registration.

Your company will work through an intern guided by an expert-ISO Consultant to develop the processes required for ISO registration over a 6 to 8 month timeframe. This initiative is a partnership with the South Dakota Governor's Office of Economic Development (GOED) and Manufacturing & Technology Solutions (MTS). The GOED is providing match funding for each intern up to \$4,000. A project fee for each company is required.

Program includes:

- 6 off-site workshops with EXPERT ISO Consultant
- Each workshop sets company-specific goals & objectives
 - **1 (2 days)** Preparation of Quality Management System
 - **2 (1 day)** Intro to 6 "required to be documented" process.
 - **3 (1 day)** Concentrate on problem-solving.
 - **4 (2 days)** Focus on Internal Audit Training.
 - **5 (1 day)** Corrective Action and Root-Cause Analysis.
 - **6 (1 day)** Sustainability of ISO-like processes.
- The ISO Consultant is available between sessions, if questions arise.
