BEACOM SCHOOL OF BUSINESS

**South Dakota  
Procurement Technical  
Assistance Center**

*Getting Government Down to  
Business in South Dakota!*

The SD PTAC provides one-on-one services to business representatives in the following areas:

- Counseling
- Education
- Subcontracting
- Other Training and Assistance

The South Dakota Procurement Technical Assistance Center provides technical expertise to manufacturers, processors and other businesses interested in bidding on and receiving federal, state, and local government contracts.

## Comprehensive Services Provided

### Counseling:

The SD PTAC provides assistance through one-on-one counseling including:

- Identifying opportunities for clients
- Assistance with submissions of applications, etc.
- Assistance with bid and proposal preparation and post award assistance

### Education:

Providing assistance through education and training is also provided by the SD PTAC. Possible training topics may include:

- Wide Area Workflow and RFID
- Electronic Business
- Central Contractor Registration (CCR)
- HUBZones and 8(a) Applications
- Selling to Government Agencies

### Subcontracting:

Many contracting opportunities exist with prime contractors.

The SD PTAC will:

- Assist small to locate prime contractors who may wish to subcontract with them
- Assist large prime contractors to locate subcontractors

### Other Assistance:

The SD PTAC provides assistance to businesses with problems or questions pertaining to government contracting. The SD PTAC also provides:

- Access to regulations and publications
- Databases of buy histories and government parts
- Assistance as issues arise
