
DATA PRIMER EXERCISE

Let's consider an issue that could span a few of your Course Outline Standards. I have chosen an issue that most human service professionals work with: Poverty

Poverty

- ❖ Start by defining some social forces to investigate in relation to poverty
 - Sex and age
 - Race
 - Family composition
 - Household
 - ❖ Now we'll identify some economic forces:
 - Income
 - Employment (full-time/part-time)
 - ❖ What are you curious about in regards to these factors and poverty?
 - ❖ Brainstorm
 - ❖ Form a question
 - ❖ Let's get some information
 - ❖ Best Practices:
 - Community, service, and social system response to Poverty:
 - Support systems
 - Safety issues
 - Services
-
