Volume 6, Issue 3 December 2010

South Dakota KIDS COUNT Factbook

 The 18th edition *South Dakota KIDS COUNT Factbook*, a compilation of the most current and reliable data that tracks the well-being of children in South Dakota and its 66 counties is available on the SD KIDS COUNT website and on the KIDS COUNT Datacenter website.

The 2010 Factbook is available in sections:

[Cover to Page 54](#)

[State Data; & Aurora to Douglas Counties](#)

[Edmunds to McCook Counties](#)

[McPherson to Ziebach Counties](#)

[Demographic Indicators](#)

[Economic Indicators](#)

[Education Indicators](#)

[Health Indicators](#)

[Safety Indicators](#)

Or as a whole book: [2010 South Dakota KIDS COUNT Factbook](#).

You can access the specific county pages from the [county map](#) link on the website menu.

Access 2010 Factbook data profiles for South Dakota counties, create maps, or trend graphs by topic on the [KIDS COUNT Data Center](#) website.

The 2010 Factbook hard copies and CD-ROMs will be sent in the coming weeks. If you have any issues with the online data please email sdkidscount@usd.edu Thank you!
