SCHOOL OF BUSINESS MISSION

“We are a community of scholars and practitioners committed to superior undergraduate and graduate business programs accredited by AACSB International. We emphasize excellence in teaching, promote intellectual exchange and development, and advocate continuous learning reflecting a dynamic global environment. Our services deliver value to our students, the University, business disciplines, and society.”

ACCOUNTING MISSION STATEMENT

The mission of the Accounting Programs at The University of South Dakota School of Business is to provide quality professional education in an environment that promotes critical thinking, fosters the exchange of ideas among scholars, and contributes value to the practice of accounting.

Multinational conglomerates, government agencies, charitable organizations, downtown retailers, entrepreneurs...they all have accounting needs specific to their organization that require highly skilled individuals who understand the external rules and regulations and internal policies which are crucial for success. Accounting graduates provide general accounting, audit, tax, financial planning and management consulting services. You will also find them heading major corporations, advising CEOs, creating legislative policy and in the classroom.

FRESHMAN AND SOPHOMORE CURRICULUM

When you decide to major in accounting, you’ll be admitted as a general business student. During the first half of your undergraduate program, you’ll complete general core requirements. Before beginning your 300/400 level courses, you’ll also complete the following courses needed for admission to the Accounting Major:

- BADM 101 Survey of Business
- ACCT 210 Accounting Principles I
- ACCT 211 Accounting Principles II
- ECON 201 Principles of Microeconomics
- ECON 202 Principles of Macroeconomics
- BADM 220 Business Statistics
- MATH 121 Survey of Calculus

SCHOOL OF BUSINESS

Before beginning your 300/400 level business courses, you’ll apply for admission to the Accounting Major. Admission is based on these criteria:

- Completion of 48 semester hours
- Cumulative GPA of 2.50 or above
- Completion of the general business courses listed previously
