

The University of South Dakota.

Beacom School of Business · Master of Professional Accountancy
Preparation for Certified Public Accounting Certification
University Center – Sioux Falls
2205 Career Avenue
Sioux Falls, SD 57107

The mission of the Accounting Programs at The University of South Dakota Beacom School of Business is to provide quality professional education in an environment that promotes critical thinking, fosters the exchange of ideas among scholars, and contributes value to the practice of accounting.

The Masters Of Professional Accountancy (MPA)--The MPA is designed to provide specialized training in accounting and related fields for those who wish to prepare for a career in public accounting meeting the 150-hour educational requirement of the State of South Dakota. In addition, the program provides training in accounting and related subjects for students seeking careers in industry, government service, or accounting education.
