

M.B.A. MASTER OF BUSINESS ADMINISTRATION

The Master of Business Administration is accredited by AACSB International – The Association to Advance Collegiate Schools of Business (AACSB). The purpose of the MBA program is to develop current and future executive leadership for business, industry and government, and to encourage those students who have an interest in teaching and an aptitude for an academic career to continue their work at the doctoral level. The emphases in this program are on decision making, problem solving, understanding the role of business in society, and developing leadership ability and social responsibility to progress to positions of executive responsibility.
