PROGRAM DESCRIPTION

This cross-disciplinary program provides the primary tools and organizational skills necessary to more effectively perform administrative roles. Course work focuses on the practical application of theory and developing an intellectual framework for analyzing and successfully addressing challenges associated with the administrative environment. This program values past work experience and benefits people from a variety of different backgrounds including health care, government, non-profit agencies, law enforcement, and social services.

The Interdisciplinary Studies specialization is structured to allow students to craft an individual track suited to their specific needs.

GETTING STARTED

Prospective graduate students may apply through the Graduate School at www.usd.edu/grad/how-to-apply.cfm.

The Graduate School forwards completed applications to the appropriate academic department for review. The department will then recommend the admission status of the applicant to the Dean of the Graduate School, who will make the final decision on admission.

Once accepted, students can register online through WebAdvisor at www.usd.edu/webadvisor or through the online form located at <https://www.usd.edu/cde/registration>.
