The art courses specified for freshman year constitute a foundations program, therefore, it is essential these courses be taken as a block.

Beginning sophomore year students specializing in art may select beginning course in the studio areas including ceramics, graphics, printmaking, painting, photography or sculpture. One course is required in each area.

Minor – not available in Art.

*The bachelor's degree is only available through the College of Fine Arts. All teacher certification requirements must be completed including passing scores the on the PPST, Praxis content exam 10133 and the PLT. See a teacher education advisor in the School of Education Student Services for more information.

As a professionally accredited unit, the USD School of Education limits the numbers of students admitted to the Teacher Education programs based on availability of resources.
