District Description: Sioux Falls has 24 elementary schools, serving grades K-5. Elementary instruction emphasizes the mastery of basic skills along

with respect for one's self and others.

We have five middle schools, serving grades 6-8. Middle schools are designed to meet the academic, social, and emotional needs of early adolescents. The middle school format fosters a sense of community and cooperation while allowing plenty of opportunity for exploration - both in the academic setting and through co-curricular activities.

Sioux Falls has three high schools - Lincoln, Roosevelt, and Washington. Twenty-two credits are required for graduation. Joe Foss School, an alternative school for middle and high school students, focuses on formal education and career skills in a more individualized setting.

Achieving our mission, to educate and prepare each student to succeed in a changing world, hinges on our ability to continually improve the effectiveness of our schools.

Yankton, SD 57078
Phone: 605-665-3998
Email: jgertsema@ysd.k12.sd.us

URL: www.yzd.k12.sd.us

Recruiter(s): Dr. Joseph J. Gertsema, Dr. Wayne Kindle, Mr. Bob Winter

Vacancies: None known at this time.

District Description: Yankton School district encompasses an area of 210 square miles, all of which is located in Yankton county. The district serves approximately 2,851 students from Preschool to the 12th Grade. The district provides four elementary schools (Grades P-5), one middle school (6-8), one high school (9-12), and one Alternative Learning Center (9-12). The district offers a sound and comprehensive educational curriculum "to optimize student potential for success in a global society." Yankton School District's high standards and fine heritage are directly connected to the educators who have served and are serving here and to the students, parents, and community members who have enthusiastically displayed their belief in education and in the Yankton Schools. The district has proven its excellence academically as well as in the notable achievements of its co-curricular programs and has been accredited by the North Central Association (NCA) for more than 100 consecutive years.
