

ENROLLMENT EXPENSE CERTIFICATE  
Effective June 2009-May 2010  
Graduate Non-Resident

As shown on the Form I-20

This school estimates the student's average costs for an academic term of 9 (up to 12) months to be as follows in the sections below. Most students will need to show that they have certified proof of expense coverage for a full year (12 months). Even if you do not plan to take classes in the summer and you plan to leave the United States, you will still need to show 12 months worth of proof. If you are coming only for the summer months and not for the academic year, then you will need to show enough support for the summer months only.
