Friday, November 14, 2008, 12:00 noon-1:00 pm CT

Lunch will be available on site at 11:40 am.

Health Science Center, Room 106

Sanford School of Medicine of The University of South Dakota
Sioux Falls, South Dakota

Pre-registration is requested for this free CME activity.

Register on or before November 12, 2008, at www.usd.edu/med/cme.

For registration questions please contact CME at 605-357-1480.

*Persons at remote sites: Please contact your local video conferencing coordinator to ensure that the needed equipment, room and tech support arrangements are made at your location.
(Site coordinators should contact the Department of ObGyn regarding the paperwork.)*

Objective: At the conclusion of this continuing medical education activity, participants should be able to:

1. Recognize the limitations with endogenous tissue repair of pelvic support defects
2. Identify the key steps in proper transvaginal mesh surgery to optimize outcomes
3. Assess the current evidence regarding 'best practice' for surgical repair of pelvic support defects
4. Discuss the challenges facing 'standardization' of surgical approaches to correct pelvic organ prolapse

Accreditation Statement/Credit Designation:

The Sanford School of Medicine of The University of South Dakota is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Sanford School of Medicine of The University of South Dakota designates this educational activity for a maximum of one (1) *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Department of ObGyn is no longer offering ANCC Nursing Credits at this time.

This program is supported by the Department of Obstetrics and Gynecology
of the Sanford School of Medicine of The University of South Dakota.
