

Spring Semester 2026 Final Examination Schedule

Final examinations are scheduled for May 4 through May 8, 2026

Exams will be given in the same room where the class met during the term. Certain courses have a combined exam which will be given in a location announced by the instructor. In each case of a combined exam, an alternate scheduled exam must be made available by the instructor so that students with conflicting exam times or with more than three final exams in one day are not penalized.
