SOUTH DAKOTA

SUMMER 2022 FIRST DAY ACCESS MATERIALS

Get a Head Start and Save with Your First Day Access Materials

Charlie's Bookstore & Fan Shop offers a First Day Access (Inclusive Access) program for students who have enrolled in their online dual credit courses.

Through FDA, students gain automatic access to discounted digital, e-Material, such as workbooks, e-Texts, simulations and more!

These materials will be available for students on the first day of class, and the program will not make a purchase automatically unless students choose to buy a loose leaf print version of their textbook.

How to Utilize FDA

A student can access their material through USD's LMS platform, D2L, unless their instructor tells them otherwise. Access information is listed in the student's USD online bookstore eLibrary account. [Learn More.](#)

Opting Out

A student can also choose to opt-out of FDA material before the deadline through their USD online bookstore eLibrary account.

Otherwise, an FDA course material fee is automatically charged to a student's university bill. If a student plans to utilize the FDA digital course materials, no action is needed.

Students can refer to the Coyote One Stop article on Opting Out of First Day Access Books for more information.

Have Questions?

We've got answers! Please contact Charlie's Bookstore & Fan Shop via [Coyote One Stop](#), or through the Charlies Bookstore website [using this link](#).

**First Day Access courses and/or materials are subject to change; please contact Akademos or [Charlie's Bookstore using this link](#).*
