English Placement**

The English placement procedure at USD helps place you in the highest-level English course based on your English ACT subscore, SAT reading and writing scores or Smarter Balanced English score. If you do not have any valid scores in these areas, you will need to take a placement test (ACCUPLACER). If you are a first-time student and you do not have valid ACT or Smarter Balanced scores, USD may use the letter grade(s) your most recent high school academic year’s English courses for placement.

Math Placement**

Registration into a math course will require placement via ACT/Math index, ACCUPLACER and/or Smarter Balanced Assessment. If you do not meet the score requirements listed below, you will either need to complete the ACCUPLACER or complete a remedial course prior to the coursework listed below. Remedial courses are not available to take through dual credit. Test Scores and high school GPA must be no more than 5 years old to be used for placement. If you do not have a valid GPA, there is no charge for the first attempt.

How to Check Grades

1. Instructors will add assignment, quiz, and test scores in D2L for the students to track their progress during the semester. In D2L, select your course > Assessments > Grades. Faculty are also asked to raise alerts on students with whom they have concerns throughout the semester:
   a. Early alert after four weeks
   b. Midterm deficiency after eight weeks
   c. Alert for withdrawal after 10 weeks

If instructors flag students during these alert periods, the USD dual credit advisor will notify those students and their high school counselors.

2. To view final grades, students should log into the MyUSD portal and click the red button, REG Registration Self-Service. Next, click View Registration Information (you may be asked to log in again). Then in the upper left-hand corner, click the four-square icon > Banner > Student Links > My Academic Information > Grades - Final.

3. School counselors will receive a copy of the students’ final, official grades in the mail.

Add/Drop Form

The add/drop form is for dual credit students who are currently enrolled at a Regental institution. Completed forms to add, drop and/or withdraw from courses should be reviewed by Claire Rizzio, USD’s dual credit advisor, who will help you submit your forms to the appropriate campus office. Contact Claire at Claire.Rizzio@usd.edu or at 605-658-6132. Specific deadlines for adding, dropping and/or withdrawing from courses can be found online on USD’s academic calendar.
