# DROPPING AND WITHDRAWING

### WITHDRAWAL FROM THE UNIVERSITY

An undergraduate student is considered withdrawing from the university if ALL courses (from any State of S.D. university) in which the student is enrolled during the semester are terminated. If the student is taking only one course and drops that course, this is a withdrawal which means zero credits for the semester remain.

To withdraw from USD, use the withdrawal form located at [usd.edu/Admissions-and-Aid/Tuition-and-Costs/Withdrawal-and-Refunds](https://www.usd.edu/Admissions-and-Aid/Tuition-and-Costs/Withdrawal-and-Refunds). Graduate students may use this form to withdraw from all classes, but do not withdraw from the university. All withdrawals must be signed, dated, and delivered to USD, Financial Aid Counselor, Belbas Center, Room 206, Vermillion SD 57069, or faxed to 605-677-5238. A phone call will not be sufficient. **Leaving courses without completing the withdrawal or drop paperwork could result in a failing grade, and you will be responsible for the payment of tuition and fees.**

### DROPPED COURSE

A course is considered dropped if a student terminates enrollment in that course but continues to be actively enrolled in at least one other course with any South Dakota state university during the semester. To drop one or more courses (but not all courses), students use Self-Service Registration.

Financial aid recipients should contact the Financial Aid office at 605-658-6250 prior to completing paperwork to determine the effects of the drop or withdrawal on their financial aid. A refund and/or repayment to a specific financial aid program may be required. Please see the Important Dates/Deadlines section for 100% refund deadlines.

# BILLING INFORMATION

# TUITION RATES

## OFF-CAMPUS & DISTANCE TUITION

Tuition rates for online, Elluminate, DDN, University Center-Rapid City in Rapid City, and USD Sioux Falls are subject to change. The Board of Regents generally make tuition determinations at its April meeting.

### Undergraduate:

\$354.75 per credit hour

### Graduate:

\$470.45 per credit hour

# PROCTOR & EXAM INFORMATION

Many courses require students to take assessments in the presence of a proctor, in a professional setting, not in a private home. If your course requires this, it will be clearly stated in the syllabus. Proctored tests taken at facilities other than USD may be subject to a fee.

## SELECTING A PROCTOR

All proctors must be currently employed as a professional testing center, librarian, full time instructor at a college or university, superintendent or school principal, 9-12 grade teacher or guidance counselors. Students in the armed forces on active duty, may utilize a testing center on a base. If a testing center is not available due to deployment overseas, an higher ranked officer is also permissible to proctor an exam.

### Students in Brookings, Madison, Pierre, Rapid City, Sioux Falls and surrounding area:

Students testing at testing centers below do not need to fill out a proctor form, but need to notify the USD Testing Center to identify a testing location they plan to use before each semester and are responsible for scheduling appointments.

### Students testing anywhere else:

Students must submit the proctor form within in the first two weeks of class to the USD Testing Center and are responsible for scheduling appointments. Policies and the proctor form can be found at [usd.edu/testing-center](http://usd.edu/testing-center).

## HOW TO SCHEDULE AN APPOINTMENT

Appointments must be made a minimum of 24 hours prior to the date/time you would like to test. Allow extra time for midterms and finals. If registration is full for your requested time, you may come to the testing center and register as a walk-in. Walk-in appointments are taken on a first come first serve basis and are NOT guaranteed to test.

To **SCHEDULE AN APPOINTMENT** at the USD Testing Center – Vermillion Campus visit <https://www2.registerblast.com/usd/Exam/List>

### IMPORTANT:

In order to avoid conflicts of interest, please do not submit the name of a relative, close friend, neighbor, coworker, roommate or anyone you may have a relationship with to serve as your proctor. **The approval of proctors is at the discretion of the USD Testing Center and they have the right to deny the use of a requested proctor.** Students will be notified via USD email if the requested proctor is not approved. When scheduling an appointment with the proctor, be sure to allow enough time for the USD Testing Center to send exam information.
