6. Explanation of the Change:

The proposed revisions to the Coaching minor are in response to consideration of the South Dakota High School Activities Association (SDHSAA) and other local states' coaching requirements, as well as research into other comparable Coaching minor programs. PHYG 220/L has been deleted because it has actually become recognized as a pre-requisite for KSM 353. In addition, it has been deemed that KSM 454 and the professional preparation courses (PE 200-204) are not particularly necessary; however, discussion has prompted recognition of the benefits of adding KSM 453 and an additional coaching theory course to the minor program.
