**Section 1. Course Title and Description**

Prefix & No.	Course Title	Credits
OCTH 759	Trauma Informed Care: Pediatrics	3

<b>Course Description</b>
<p>In this course, students will recognize the long-term effects of adverse childhood experiences such as maltreatment, abuse, neglect, multiple home placements, and violence. This course will foster a greater understanding of trauma informed care and child traumatic stress. Students will explore the biopsychosocial foundation of development, explore research-based interventions, and learn to empower families to promote healing and help children return to their natural developmental trajectory. Additionally, topics pertaining to secondary trauma and generational trauma will be explored.</p>

**Pre-requisites or Co-requisites** N/A  
**Registration Restrictions** Instructor permission required

**Section 2. Review of Course**

**2.1. Was the course first offered as an experimental course (place an "X" in the appropriate box)?**

- Yes (if yes, provide the course information below)       No

**2.2. Will this be a unique or common course (place an "X" in the appropriate box)?**  
*If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.*

- Unique Course**

<p><i>Provide explanation of differences between proposed course and existing system catalog courses below:</i></p> <p>None were identified.</p>
