May we add your approval to the attached authority to offer the common GER courses? This item was discussed at the May system AAC meeting. SDSU would add GER 302, GER 350, and GER 360.

Tammy

This looks okay for NSU. Do you need Dr. Lien's signature on it?

Her official signature is Joelle L. Lien.

Good morning all,

Please see the attached document that covers all online offerings for DSU, SDSU, and USD by adding authority and/or the delivery methods to the collaborative courses. Please let me know if your university approves of the submission and I will ask Dr. Perry to consider this form in place of the original form that contained the USD courses only.

Once I see approvals from your university, I will attach to the last page of the submission to show approvals for submitting to the SDBOR. Thanks.
