Section 2. Review of Course

2.1. Was the course first offered as an experimental course?

- Yes (if yes, provide the course information below) No

2.2. Will this be a unique or common course?

If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.

Unique Course

Prefix & No.	Course Title	Credits
DCOM 710	Professional issues	1

Provide explanation of differences between proposed course and existing system catalog courses below:

The course content of DCOM 710 will be specific to speech language pathology- the primary students who take the course. This proposed course will address professional issues related to audiology, a different profession than speech-language pathology. In addition, this course will explore advocacy issues which are not included in DCOM 710.
