**Section 1. Course Title and Description**

Prefix & No.	Course Title	Credits
PEDS 828	Pediatric Gastroenterology	2-4

Course Description
Pillar 3 medical students will gain additional experience in pediatric gastroenterology and nutrition. This elective will focus on children with gastrointestinal and nutritional problems. Students will evaluate and manage children with gastroenterology concerns. Specific expertise will be attained in the history and physical examination. The student will also gain considerable expertise in dietary management of multiple nutritional problems. Students will have the opportunity to participate in endoscopy, capsule endoscopy, impedance studies and other procedures.

**Pre-requisites or Co-requisites** None

**Registration Restrictions**

Med-level check
-----------------

**Section 2. Review of Course**

**2.1. Was the course first offered as an experimental course?**

- Yes (if yes, provide the course information below)       No

**2.2. Will this be a unique or common course?**

*If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.*

**Unique Course**

Prefix & No.	Course Title	Credits
--------------	--------------	---------

*Provide explanation of differences between proposed course and existing system catalog courses below:*

No comparable courses exist in the catalog
