Section 1. Course Title and Description

Prefix & No.	Course Title	Credits
PSYC 760	Orientation to the Field of Clinical Psychology	1-2

Course Description	Seminar covering an orientation to the field of clinical psychology, the history and systems of psychology, beginning ethics in clinical psychology, an introduction to the social justice advocacy role of the clinical psychologist, and general socialization into the field.
---------------------------	--

Pre-requisites or Co-requisites (add lines as needed) N/A
Registration Restrictions N/A

Section 2. Review of Course

2.1. Was the course first offered as an experimental course?
 Yes (if yes, provide the course information below) No

2.2. Will this be a unique or common course?
If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.

Unique Course

Prefix & No.	Course Title	Credits

Provide explanation of differences between proposed course and existing system catalog courses below:
 No other existing course in the system offers an orientation to the field of clinical psychology. The USD Clinical Psychology program is the only such program in the state.
