Section 1. Existing Course Title and Description

Prefix & No.	Course Title	Credits
ADS 422L/ ADS 522L	Substance Use and Addiction Treatment Continuum	3

Course Description

The concepts that addiction treatment is a continuum from intervention through continuing care is emphasized along with students learning and demonstrating clinical treatment procedures. Students also practice the administration of screening and assessment instruments to identify addiction and other related problems in conjunction with developing an individualized treatment/continued care plan.

Section 2. Modification(s) Requested

2.1. This modification will include:

		Current		New
☒	**Change in instructional method**	L-Laboratory	to	C-Clinical Laboratory

Effective term of the change: Fall 2019

2.2. Add justification for all changes noted above:

The course was developed to teach clinical skills to students in the Addiction Counseling and Prevention program and needs to be updated to reflect this.

Section 3. Other Course Information

3.1. Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database (Colleague and the Course Inventory Report)?

☐ Yes ☒ No

Section 4. Department and Course Codes (Completed by University Academic Affairs)

		Current		New
☐	**Change in University Department Code**	UADS	to	N/A
☐	**Change in CIP Code**	51.1501	to	N/A
