

Effective term of the change: Fall 2019

Explain any additional minor changes proposed at this time below (if needed):

This course will no longer be restricted to MLS majors. To better reflect the content of the course, we are also requesting a name change from Intro to Med Lab Procedures I to Introduction to Hematology and Hemostasis in the Medical Laboratory.

2.2. Add justification for all changes noted above:

Diagnosis and treatment for hematological disorders requires laboratory results. Learning these procedures, interpretation of the results, and correlation of the results to physiological conditions will enhance the students' ability to predict and understand the diagnoses.

Section 3. Other Course Information

3.1. Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database (Colleague and the [Course Inventory Report](#))?

Yes No

Section 4. Department and Course Codes (Completed by University Academic Affairs)

<input type="checkbox"/> Change in University Department Code	<u>Current</u> UMLS	to	<u>New</u> N/A
<input type="checkbox"/> Change in CIP Code	<u>51.1005</u>	To	<u>N/A</u>
