Institutional Approval Signature		Date

Section 1. Course Title and Description

Prefix & No.	Course Title	Credits
PEDS 803	Pediatric Rehabilitation Medicine	2-8

Course Description	
<p>An introduction to pediatric rehabilitation medicine (PRM). By the end of the elective course, learners will be able to describe the scope of practice and perform a focused PRM history and physical examination. In addition, they will have the opportunity to work within an interdisciplinary health care team.</p>	

Pre-requisites or Co-requisites N/A

Registration Restrictions

Med Level Check

Section 2. Review of Course

2.1. Was the course first offered as an experimental course?

- Yes (if yes, provide the course information below) No

2.2. Will this be a unique or common course?

If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.

Unique Course

Prefix & No.	Course Title	Credits
NEUR 838	Physical Med/Rehabilitation	1-8

Provide explanation of differences between proposed course and existing system catalog courses below:

<p>Pediatric rehabilitation medicine (PRM) is considered a subspecialty of physical medicine and rehabilitation (PM&R). NEUR 838 presents the general concepts and principles of rehabilitation medicine, focusing primarily on the adult patient. The proposed course focuses completely on the pediatric subspecialty to better prepare students seeking a pediatric residency position.</p>
