Section 2. Review of Course

2.1. Will this be a unique or common course (place an "X" in the appropriate box)?

If the request is for a unique course, institutions must review the common course catalog in the system course database to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form. Courses requested without an attempt to find comparable courses will not be reviewed.

Unique Course

Prefix & No.	Course Title	Credits
None		

Provide explanation of differences between proposed course and existing system catalog courses below:

This course is uniquely designed to meet the national credential requirements of the Association for Behavior Analyst International (ABAI) Verified Course Sequence (VCS) approval. There are no South Dakota universities currently providing courses which meet the ABAI VCS approval.
