**Section 2. Review of Course**

**2.1. Was the course first offered as an experimental course (place an "X" in the appropriate box)?**

- Yes (if yes, provide the course information below)       No

**2.2. Will this be a unique or common course (place an "X" in the appropriate box)?**

*If the request is for a unique course, verify that you have reviewed the common course catalog via Colleague and the system [Course Inventory Report](#) to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form.*

**Unique Course**

Prefix & No.	Course Title	Credits
LDR 210	Foundations of Leadership	3
LDR 310	Leadership in Context	3

*Provide explanation of differences between proposed course and existing system catalog courses below:*

The description of the proposed course matches that of a deleted USD course, rather than those, above, offered by SDSU. LDR 210 is a skills-based course, whereas the proposed course explicitly addresses the theories of leadership in addition to the application of these theories in practice. LDR 310 allows for the application of leadership skills within specific disciplinary contexts, and does not provide the broader overview intended with this course, which will serve as a foundational course in the Civic Leadership Studies minor.
