Section 2. Review of Course

2.1. Will this be a unique or common course (place an "X" in the appropriate box)?

Unique Course

If the request is for a unique course, institutions must review the common course catalog in the system course database to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form. Courses requested without an attempt to find comparable courses will not be reviewed.

Prefix & No.	Course Title	Credits
OGYN 714	Obstetrics/Gynecology Clerkship II	2

Provide explanation of differences between proposed course and existing system catalog courses below:

The course above (OGYN 714) is the second course in the clerkship sequence. The new course (OGYN 713) provides the essential foundation for successful completion of the second clerkship course. Content is sequential, progressive, and cumulative for the two course sequence.
