Course Description
An in-depth study of Spanish linguistics; may include advanced phonetics, syntax, aspects of the history of the Spanish language and the varieties of Spanish spoken throughout the world.

**Section 2. Modification(s) Requested**

2.1. This modification will include (*place an "X" in the box for all that apply*):

- Course Title change from**
Current  
Linguistics
to
New  
Hispanic Linguistics

**Effective term of the change:** 202180 – Fall 2021

2.2. **Add justification for all changes noted above:**

Current title is overly vague and doesn't specify that it is a study of Spanish language linguistics. The new title clarifies the course content. Approved by SDSU (see email below).

**Subject:** Retitle SPAN 443

Good Morning,  
We've been looking at course titles and feel that SPAN 443 Linguistics is somewhat unclear. Are you OK if we rename it Hispanic Linguistics?
