7. Explanation of the Change:

We will be removing the HSC 440 class from the core curriculum and replacing it with ACP 320 OR ACP 412 OR ACP 415. The South Dakota Board of Addiction and Prevention Professionals (BAPP) requires a diversity course for certification. ACP 320, ACP 412 and ACP 415 are the USD classes that meet the BAPP diversity requirement. We are wanting to make sure students choose one of the diversity required courses in the core curriculum.
