6. TERMINATION WITHOUT ENROLLED STUDENTS

a. Provide a justification for terminating the program:

With the termination of the French major at USD, the courses associated with the French Teaching Minor are no longer offered and there would be no need to continue to offer the teaching minor.

b. What is the proposed date (day/month/year) for the program to terminate (program status in the database changes to Deleted)?

Termination is proposed for Fall 2021.

c. What are the potential cost savings of terminating the program and what are the planned uses of the savings?

There are no cost savings associated with this termination for the School of Education. All of the classes in the minor were taught through the College of Arts and Sciences.

d. What are the resulting employee terminations and other possible implications including impact on other programs?

There are no implications for the School of Education. Since A&S has already terminated the French major, any impacts have already been absorbed by them.

¹ Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in the student information system.

² Note: An inactive program is a program a university has authority to offer, but the program is not admitting new students and has not formally terminated. A presumption exists that inactive status is a temporary status; universities review inactive programs periodically to determine the feasibility of reactivating or terminating the program. Programs can remain inactive for five (5) consecutive years at which time a university must terminate the program. A terminated program is a program for which a university ceases to have authority to offer. Reinstatement of a terminated program requires university and BOR approval through the prescribed new program approval processes.
