**4. INACTIVE STATUS**

**A. Provide a justification for inactivating the program:** The College of Arts and Sciences no longer has a Lakota instructor, which directly affects three of the required courses in this minor. Further, there has been low enrollment in the minor, with only 1 current student. We will work on collaborations or partnerships during the hiatus. Students who seek the Native American Language and Culture permit from the South Dakota Department of Education, may continue to do so through an evaluation by a tribal committee of experts. This permit does not require the completion of a minor and is not associated with certification.

**B. If there are current students in the program, what are the implications of placing the program on inactive status?** There is currently one student in the program. He has completed all of the courses in the minor and will graduate in December 2020, so there are no implications for him in placing the program on inactive status.

**C. What is the last date (day/month/year) by which a student can graduate in the program:** December 2020.

**D. What is the proposed date (day/month/year) inactive status takes effect (the proposed date for inactive status is also the last date a student may enroll in or declare the program)?** September 1, 2020

<sup>1</sup> Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in Colleague.  
<sup>2</sup> Note: An inactive program is a program a university has authority to offer, but the program is not admitting new students and has not formally terminated. A presumption exists that inactive status is a temporary status; universities review inactive programs periodically to determine the feasibility of reactivating or terminating the program. Programs can remain inactive for five (5) consecutive years at which time a university must terminate the program. A terminated program is a program for which a university ceases to have authority to offer. Reinstatement of a terminated program requires university and BOR approval through the prescribed new program approval processes.
