6. TERMINATION WITHOUT ENROLLED STUDENTS

a. Provide a justification for terminating the program:

There are no students in the program currently and we have not had any students successfully complete the minor since its inception. There are not enough faculty with the correct specializations to make the program viable.

b. What is the proposed date (day/month/year) for the program to terminate (program status in the database changes to Deleted)?

Termination is proposed for 5/1/2021.

c. What are the potential cost savings of terminating the program and what are the planned uses of the savings?

There are no cost savings associated with this termination for the College of Arts & Sciences (A&S). Courses are taught as part of existing majors. Majority of the courses in the minor are taught through the College of Arts & Sciences for other majors such as Spanish, B.A., Political Science, B.A./B.S., and International Studies, B.A. They will continue to be taught to support these programs.

d. What are the resulting employee terminations and other possible implications including impact on other programs?

There are no implications for the College of Arts & Sciences. Courses are already taught to support A&S majors.

¹ Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in the student information system.
