8. Explanation of the Change:

The revised Health (Non-Teaching) minor is not changing the total number of required credits, but proposing to require all of the current HTLH courses being offered at USD (14 credits), as well as allowing for and stipulating that substitutions from the designated departments will be allowed for the remaining credits. In addition, it is requested that the CIP code be changed from 31.0501 to 34.0103 since the Health (Teaching) minor has been proposed to be deleted.
