Comments: *Pre-professional Program students will be advised to enroll in College Algebra
 **Student may choose the HSC 280/281 or PHGY 220/230 sequence for the major. Students choosing to work toward Pre Professional Graduate programs will be directed toward the PHGY220/230 path. If students choose the HSC 280/281 path, HSC 280 will meet SGR 6 Natural Science requirements but HSC 281 does not. PHGY courses require a prerequisite of a college level chemistry prior to enrolling.
 ***A minor is not required but could be used to fill elective space. Electives can also be exchanged for a 2nd major or prerequisites for a professional graduate program.
 Program has an optional Health Education specialization available.
