**Additional Comments:**  
 Students who begin their studies at USD who are exploring majors, should plan on declaring a major after 30 completed credit hours.

Third and Fourth years will be filled with major, minor, and bachelor degree requirements, along with elective credits to reach 120 total credits.

*This is an example of a four-year plan. There are numerous valid reasons for changing this curriculum. Students should always consult their advisors and the department checklist before completing their schedules.*
