Major course	Major	3
Major course	Minor	3
Minor or Elective		6
Semester Credits:		16

THIRD YEAR – 1st Semester

THIRD YEAR – 2nd Semester

FOURTH YEAR – 1st Semester

FOURTH YEAR – 2nd Semester

Additional Comments:

Students who begin their studies at USD who are exploring majors, should plan on declaring a major after 30 completed credit hours.

Third and Fourth years will be filled with major, minor, and bachelor degree requirements, along with elective credits to reach 120 total credits.

This is an example of a four-year plan. There are numerous valid reasons for changing this curriculum. Students should always consult their advisors and the department checklist before completing their schedules.
