

# YOUTH AMBASSADORS CONNECTED WHILE APART

Share your story to inspire others.

As teens navigate this new normal, our team is committed to sharing messages of hope, resiliency, and solidarity across South Dakota. We want to share your story on how you are navigating day to day activities with friends and family during COVID-19.

If you have interest in being a **youth ambassador**,  
please contact: [Erica.Miller@coyotes.usd.edu](mailto:Erica.Miller@coyotes.usd.edu).
