

Fall Semester 2018 Final Examination Schedule

Final examinations are scheduled for December 6, 7, 10, 11 and 12, 2018

Exams will be given in the same room where the class met during the term. Certain courses have a combined exam, which will be given in a location announced by the instructor. In each case of a combined exam, an alternate scheduled exam must be made available by the instructor so that students with conflicting exam times or with more than three final exams in one day are not penalized.

Combined Final Examinations

If you are enrolled in one of the courses listed below, the final examination for the course will be given at the time and date listed in the following table, regardless of the regular class meeting times and days.
