

Fall Semester 2020 Final Examination Schedule

Final examinations are scheduled for December 2, 3, 4, 7 and 8, 2020

Exams will be held remotely. Courses that intend to offer a synchronous final exam should use their original final exam time. Courses that have moved to an asynchronous final exam should allow that exam to be taken over a set range of time so that students can plan a reasonable schedule for completing all their final exams. Certain courses have a combined exam. In each case of a combined exam, an alternate scheduled exam must be made available by the instructor so that students with conflicting exam times or with more than three final exams in one day are not penalized. All final exams must be completed by the registrar's original deadline of 11:59 p.m. on December 8.
