

Signing up for Push Notifications through USDFit

1. Once you open the app, find the menu located at the top left corner.

2. Click on "Notifications"

3. Choose the Notifications you wish to receive.

- **Facility Notifications** – The Wellness Center Staff will use this group to notify members of important facility changes. Examples of messages received would be closure due to weather or other emergencies, changes in hours due to holiday schedules, and any additional messages that would affect the facility as a whole. We highly encourage all members to sign up for these messages.
- **Capacity Notifications** – Those who sign up for this group will be notified when we reach building capacity and there will be a wait to enter the facility.
- **Group Fitness Notifications** – This group will be used to notify members of new schedules or cancellations due to weather.
- **Pool Notifications** – Signing up for this group will give you access to notification of pool closures, updated pool announcements, schedule changes, and other pool related news.
- **Program & Event Notifications** – Those signed up for this group will be notified of Wellness Center program offerings, such as Bootcamps, DDays events, Family Wellness Days, etc.
