

Quantitative Questions

Since Sept 1, 2014:

- How many external* collaborations have you been engaged with?
- How many proposals have you submitted involving external research data exchange (other than e.g. email)?
- How many publications have you submitted involving external research data exchange (other than e.g. email)?
- How many course sections have you offered involving external research data exchange (other than e.g. email)?

*For this survey, "external" means "external to the USD campus."
