---

The Computer Science Department at the University of South Dakota is lending equipment for competing in the 2020 USD Robotics Competition. In order to maintain the integrity of the department, the following applies to participants who receive equipment from the Department.

By signing this form, I agree to keep all equipment loans in good condition. I agree to return item(s) promptly to the Department by the end of March 18, 2020. If I withdraw from the competition or am otherwise unable to attend on the due date, the item(s) will be due at this time.

I am responsible for replacement costs if equipment is lost, damaged, destroyed or stolen. If I fail to return materials in good condition by the return due date, the cost of repair or replacement will be due and payable by check payable to the University of South Dakota. Failure to pay will result in banishment from future competitions at the University.

By my signature, I acknowledge that I have received a copy of this agreement and all above listed items and that I have read this contract and understand the conditions of the agreement. My signature is my commitment to adhere to these responsibilities and terms.
