PROGRAM TO PROGRAM ARTICULATION AGREEMENT

THE UNIVERSITY OF SOUTH DAKOTA (USD)
and
WESTERN DAKOTA TECHNICAL INSTITUTE (WDT)

Agreement with Respect to Applying the
FIRE SCIENCE
Associate of Applied Sciences Degree Program at WDT
Towards the
HEALTH SCIENCES
Bachelor of Science Degree Program at USD

I. Parties

The parties to this agreement are The University of South Dakota (USD) and Western Dakota Technical Institute (WDT).

II. Purpose

The purpose of this agreement is to:
A. have a signed articulation agreement that addresses the varying needs of students and complementary nature of the institutions’ programs;
B. provide increased educational opportunities for students from South Dakota and the region;
C. extend and clarify educational opportunities for students;
D. provide WDT students who have completed the AAS degree in Fire Science an opportunity to earn a Bachelor of Science degree with a major in Health Sciences.

III. Academic Program

Graduation Requirements for the BS in Health Sciences at USD

\(^1\)Natural Science general education requirements are reflected in the Health Sciences major requirements.

Updated 2017
A. Requirements to be completed at USD for the Health Sciences major are reflected in the catalog website: [http://www.usd.edu/HealthSciencesArticulation](http://www.usd.edu/HealthSciencesArticulation)

B. The general education coursework to meet Regental System General Education Requirements must also be completed as outlined below. This coursework may be taken at WDT if courses are delivered under the current General Education agreement with the Board of Regents. Required general education coursework required for the AAS in Fire Science are identified in the chart below. Additional general education coursework will be transferred if the Regental System General Education transfer requirements are met. If all required General Education credits are completed at WDT while successfully completing the Fire Science program a total of 76 credit hours may transfer. If students have additional equivalent coursework that meets Health Science Major Requirements, a total of 90 transfer credits may be allowed.

** Additional general education credits to meet the SGR may be transferred if they meet Regental System General Education transfer requirements up to a total of 90 credit hours.

Updated 2017
IV. Pathway One: Reverse Articulation (completing years one and two at USD, years three and four at WDT, and transferring WDT credits back to USD for completion of degree)

A. Students will complete the required Health Science major courses through the University of South Dakota during the first two years of their education. During the third year of their education, they will enter the Fire Science program at WDT and complete the requirements for the AAS in Fire Science at the end of the fourth year.

B. Upon successful completion of the requirements of the AAS degree in Fire Science, the student will transfer back to USD and apply for graduation. At that time, USD will accept a block of up to 49 technical course credits in transfer. In addition to the Fire Science technical course block credits, general education coursework that is equivalent to Regental courses will be transferrable and accepted by USD.

C. USD will waive the graduation requirement that 15 of the last 30 credits for the baccalaureate degree must be earned as institutional credit.

D. Students must meet all other Board of Regents and university graduation requirements in order to receive a degree.

V. Pathway Two: Forward Articulation (completing the AAS in Fire Science at WDT and transferring to USD to complete the Bachelor of Science in Health Sciences)

A. Upon successful completion of the requirements of the AAS in Fire Science, students may transfer to USD to complete the BS in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the AAS degree in Fire Science. Students must successfully complete the AAS degree in Fire Science from WDT prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will also be accepted.

B. Students will complete the requirements for the Health Sciences major and any other general education or free elective requirements that remain unsatisfied.

C. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.

VI. Additional requirements

Students transferring coursework from WDT must have a cumulative GPA of 2.0 on a 4.0 scale.

VII. Obligations

Both parties agree to confer with each other on a yearly basis regarding changes in curricula involved in this articulation agreement.

Updated 2017
VIII. Modification

This agreement may be modified from time to time by the South Dakota Board of Regents and Western Dakota Technical Institute.

IX. Incorporation of terms in master agreement.

The parties have entered into the present agreement pursuant to the agreement of January 24, 2005 between the Rapid City Board of Education on behalf of Western Dakota Tech and the South Dakota Board of Regents on behalf of Black Hills State University, Dakota State University, Northern State University, the South Dakota School of Mines and Technology, South Dakota State University and The University of South Dakota. This agreement shall be subject to all terms and conditions stated in the January 24, 2005 agreement.

X. Termination

This agreement may be terminated by either party upon one year’s written notice to the other. Student(s) enrolled in the program at that time shall be allowed to complete the program.

XI. Effective Date of Agreement

The agreement applies to students who graduated from WDT in 2000 or later. This update is effective upon approval of all parties.
