5,406 South Dakotans from 65 counties participated in the South Dakota COVID-19 Community Impact Survey between March 24 and April 30, 2020. This is what we learned.

**71%** report self-isolating all or most of the time (only leaving home for essentials).

**76%** are willing to self-isolate as long as public health officials recommend.

**91%** are supportive of school and business closures.
