EDUCATIONAL & PROFESSIONAL OPPORTUNITIES

Mentoring Workshop for Faculty, Staff and Graduate Students
During Spring semester the USD-HHMI Inclusive Science Initiative and the Center for Teaching and learning will hold a Mentoring, a faculty mentoring workshop. This program will consist of 10 weekly sessions of guided training on best practices and recognition as a student advocate.  Held in McKusick 110, the programs will benefit both faculty and students.

Week 1: Introduction to Mentor Training Program
Week 2: Understanding the Graduate Student Experience
Week 3: Managing Conflict of Interests
Week 4: Developing Effective Goals and Expectations
Week 5: Addressing Equity and Inclusion
Week 6: Addressing Inclusion at USD/Multi-Culturalism vs. Color-Blind Approaches
Week 7: Assessing Understanding
Week 8: Articulating Your Mentoring Philosophy and Plan
Week 9: Cultivating Ethical Behavior
Week 10: Articulating Your Mentoring Philosophy and Plan

COMMUNITY HAPPENINGS - VERMILLION

Graduate and Professional Student Association (GPSA)
We are a multidisciplinary organization which focuses on the graduate and professional student. We hold that our mission is useful for creating new people, networking, and building a sense of community, among the graduate populations on USD's campus. GPSA also serves as a forum for the conformation and advocacy on behalf of graduate students.
